MRS. ANNA PROCTOR
Register of Probate — 1943-1970

Mrs. Anna Proctor worked for Grafton County for 50 years. She first came to the courthouse in Woodsville on December 2, 1919, to work for William J. Randolph in the Registry of Deeds.

After a five year stint in the Deeds Office, Mrs. Proctor decided to terminate her service and move to the Probate Office where Russell Bartlett had requested she "help out for a time".

For the next 19 years she worked in that office, most of the time as clerk of Probate. In 1943 she became the first woman elected to a county-wide office in the history of Grafton County. She since served without interruption as Register of Probate until her untimely death in March 1970.

Once asked who in her opinion was the most interesting personality she had come in contact with during her many years in the political spotlight, she hesitated only a moment before replying "Norris Cotton". Later she recalled the occasion when she met and was very impressed with President Eisenhower.

As for the new Court House to be built in North Haverhill, she was "thrilled about it". She had hoped to continue County service until she had been in the Probate Office for 50 years. That milestone would have been realized in 1974.

Public Hearing on Additional Bond Issue for new Courthouse.

Chairman Bennett presiding; members present: Van Gardner, Rich, Higgins, McGee, Chamberlin, McMeekin, Bennett, Park, Tremblay, Dow, Foster, Duhaime, Ellms, Dudley, Merrill, Tilton, Hopkins, Bell, Sears, Buckman, Brummer, Nutt, Bradley, Stevenson and Karsten.

Councilor Steven Smith spoke in favor of motion for additional funds.

Jack Colby of Littleton asks for list of deleted items.

Hubert Merrill of Littleton spoke in opposition to cost of new courthouse.

Harold Trojano of Plymouth spoke in favor of restoring deleted items.

Rep. Brummer questioned Papademas; asks if Convention votes Bond Issue, then, are not the County Commissioners the legal authority.

Kenneth Curran spoke on deleted and deferred items; criticized County for allowing architect to bring in figures over Bond Issue. Asked Papademas if he is telling the truth on deleted and deferred items.

Atty. Papademas says he thinks Mr. Curran is wrong in saying the Delegation knew that the architect would be back for more money.

Rep. McMeekin questioned Atty. if there is anything to prevent County Delegation from holding future meetings and raise money. Atty. says "no".

Bruce Havlock of Littleton asked if items were deleted by contractor, architect, or commissioners.

Ken DiNisco, architect, says all items on list from contractor's original bid.

Paul McGoldrick is opposed to additional spending on courthouse.

Carl Bruckner of Woodsville spoke in favor of new courthouse.

Kathleen Ward of Littleton questioned architects on bid figures (architects only one who can make substitutions) —all bids thrown out or make substitutions; then all three low bidders should have a chance to bid again. Why did not the architect and commissioners submit new bid proposals.

Ken DiNisco made over 100 substitutions (some major, some minor), can't make up \$100,000 difference by submitting new bid proposals; time factor is a cost factor.

Curran questioned architect: could he modify design? could he give the same footage, same dimensions for less cost?

DiNisco said yes.

Curran asked: why didn't he then?

DiNisco said: when engaged by owner, you do the best you can.

Carl Altman of Canaan opposed to deleting items.

DiNisco says landscaping will be done by contractor.

Rep. Brummer asked if cost of demolition would be part of county farm cost?

DiNisco said no.

Rep. Brummer asked if county paid for demolition?

DiNisco said yes.

Willard Bromage, County Treasurer, said all cost paid out of courthouse \$1,800,000.00.

Rep. Bradley questions R.S.A. that gives permission for any committee to spend any money beyond Bond Issue.

REPORT OF GRAFTON COUNTY COMMISSIONERS

To the Citizens of Grafton County:

As required by Statute, the Commissioners of Grafton County submit herewith the report of the various County Officials for the year ending December 31, 1970.

Grafton County accounting system is in the process of being updated with the installation of cost accounting effective the first of January 1970, which is being set up by the John E. Rich Company, certified public accountants. This system of accounting, when fully implemented, should give a more complete and knowledgeable financial report with more efficient budget control. The near future should reveal the value of updating the bookkeeping system.

We were greatly saddened in March of this year by the untimely deaths of two County employees. Early in March we lost our Littleton-Woodsville area Welfare Caseworker, Mrs. Esther Whitney. On March 20th death claimed our Register of Probate of some 27 years, Mrs. Anna Proctor.

September 1970 finally saw the beginning of construction on the long planned new courthouse to be located near the County Home and Hospital. The new courthouse will replace courthouses presently maintained in Plymouth and Woodsville, as well as Lebanon which was maintained through 1969. It will consolidate all county offices into one building, including the Sheriff's Office now located in Plymouth.

Surplus Food Program greatly expanded during 1970 with an increase from 21 to 30 towns of the 39 in Grafton County carrying the program. New commodities have been added, and the program has been enhanced by the Federal Reimbursement Program for expenditures to improve and expand surplus food distribution to eligible persons. Surplus Food deliveries

to towns are now being handled from the County Home instead of direct from Concord.

Regular relief programs show increase, partially due to general welfare expansion; closing of mills in some areas also affected the welfare programs.

Our faithful bookkeeper of 35 years, Madeline W. Kirk, resigned in May and we wish to extend to her our sincerest thanks and gratitude for her many years of conscientious service and dedication.

We wish to express our appreciation to our staff of employees, the County Delegation, the various town officials and State Welfare Department for their continued cooperation.

Respectfully submitted,

KENNETH G. BELL
GEORGE F. CLEMENT
BERT P. SHORES

Board of County Commissioners

February 6, 1971

Gentlemen:

We have examined the Balance Sheet of Grafton County as of December 31, 1970 and the related Statements of Revenue and Expenses for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances. The supplementary data consisting of Cost Statements for the Hospital, Institution and Jail are unaudited but are provided as additional information for County officials.

In accordance with the accounting practices followed by municipalities, the accounts are kept on a modified accrual basis under which the more important revenue and expenses are accrued. Expenditures for property, plant and equipment are expensed in the year of purchase.

In our opinion, the accompanying Balance Sheet and related Statements of Revenue and Expenses present fairly the position of Grafton County as of December 31, 1970 and its operations for the year then ended in conformity with generally accepted accounting principals for municipalities applied on a consistent basis.

Respectfully submitted,

JOHN E. RICH & CO.
Certified Public Acctnts.

Note: Cash Balances do not agree with amounts reflected on Accountant's Report of receipts and expenditures due to change over to accrual method of accounting.

The initial confusion created by moving the male Residents up from the basement to the 'old Hospital' subsided by the first signs of spring 1970. Now we have all comfortably stretched and found places for everything, and life has again settled down to a normal routine.

The past year found hay and potato crops exceptionally good, although the racoons enjoyed more corn than we did! We put in new comfort stalls, purchased a new tractor and truck.

Our service road was black-topped, much to the relief of the many who had to be towed out of the mud prior to the paving!

As of January 1, 1970, we initiated our cost accounting system, the success of which we think will be reflected in the preceeding financial report. The true merit of this system will only be fully realized in the future, when comparative prior-year figures will become available.

We have enjoyed an increase in the number of individuals and organizations who took of their time to provide much needed diversion for our Residents. Fruitful meetings have been held to investigate the possibility of establishing a Grafton County Home Auxiliary, with Mrs. Eleanor Manyk and Miss Madeline Seney acting as co-ordinators.

December 31st found us saying farewell to Mr. Bert Shores, longtime County Commissioner from the Lebanon area. May he enjoy his well-earned retirement.

We are grateful for the many services rendered the Home by the Clergy and the Community. Last, but not least, we extend our thanks to you and your Office Staff, the entire Hospital Staff, and the many other employees for their continued support and cooperation.

Respectfully submitted

The year of 1970 was a busy year - getting adjusted to our new Nursing Care Unit and coping with many problems in our renovated kitchen, mainly the tray service which was new to all kitchen employees.

Our patient load was low until the end of June. We admitted several patients from January on but unfortunately they lived but a few days or weeks after admission.

The physical therapy equipment has proven very useful. A few patients have been rehabilitated and were transferred to the custodial areas.

In May, one of our patients celebrated his 100th birthday. A party planned by Dr. C. D. Eastman and Mrs. Evelyn Bigelow, Director of Nursing Service was held in the Recreation area. Entertainment was furnished by the Special Chorus from Woodsville-Haverhill High School - cake and ice cream was served to all patients. Dr. C. D. Eastman, the Commissioners, Supt. and Mrs. Siegmund and nursing personnel were present for the happy occasion.

Our Christmas party was held in the Recreation area with all patients from both floors attending. A program furnished by children from Littleton plus gifts from two trees high-lighted the activities of the day.

A warm thank you to all churches, organizations, clubs and individuals for their interest and contributions bringing much happiness to our patients.

In closing I extend my thanks to the Commissioners, Office staff, Dr. Eastman, Mrs. Evelyn Bigelow, D.N.S., Supt. and Mrs. William Siegmund and staff for their continued support and interest.

Respectfully submitted,

RITA L. LITTLE

REPORT OF THE GRAFTON COUNTY ATTORNEY For the Year 1970

To the Commissioners of Grafton County:

Herein is the annual report of the activities of the office of the Grafton County Attorney for the year 1970. This office handled and disposed of 166 misdemeanors, 98 felonies, 7 juvenile matters, and 37 petitions under the Uniform Reciprocal Enforcement of Support Act. Throughout the year your County Attorney has participated at almost all of the meetings relative to the building of the new Courthouse, and has attended many meetings relative to law enforcement. There were also many miscellaneous activities that took up substantial time of your County Attorney.

Your County Attorney has been appointed as the Director for the State of New Hampshire within the National District Attorneys Association. This association is made up of prosecutors throughout the entire United States, and its main emphasis is to strengthen prosecution and develop cooperation amongst the states. From time to time there will be some travel necessary to perform these duties. Your County Attorney has applied for funds to the Governor's Crime Commission so as to try to improve prosecutions in the District and Municipal Courts. As you know, the substantial number of cases is handled by these Courts, and law enforcement agencies are in dire need of help in these Courts. It is hoped that such a program will start on or about July 1, 1971.

In an effort to provide additional prosecutorial services, your County Attorney has started prosecuting more cases in the District and Municipal Courts, but such services have been limited because of time and existing financial arrangements. However, it is hoped that this area of activity will be increased in the upcoming year.

For a period of time in August of this year, your County Attorney participated as an instructor in a number of training sessions to help develop better law enforcement officers.

At the time this report is being prepared, there is a backlog of approximately 35 cases pending before the Grafton County Superior Court. Because of the increase of activities, this backlog appears to be increasing from term to term.

Lastly, I have received excellent cooperation from all law enforcement agencies, the County Delegation, County Commissioners, and from state officials throughout the entire year, and this has been very much appreciated.

Respectfully submitted,

N. GEORGE PAPADEMAS,
Grafton County Attorney

REPORT OF GRAFTON COUNTY SHERIFF'S DEPARTMENT

As sheriff of Grafton County, I respectfully submit a report of activities of this department for the past year.

Our White Mountain Law Enforcement Institute has conducted training courses for police officers and deputies throughout the county. Fifty officers were graduated from this course early last year, and we are presently conducting another training program in the Littleton area for forty-five officers from our county and surrounding counties. This course will be completed as of April of this year. The program consists of lectures and films on firearms instruction, discussions of new and revised Supreme Court rulings, and all other technical information pertaining to good law enforcement. We have had instructors from the Federal Bureau of Narcotics and Dangerous Drugs, the Federal Bureau of Investigation, the Federal Department of Mental Health, Nassau County Police Department of New York; also instructors from the U.S. Marine Corps for firearms training and from Pease Air Force Base for Judo and Kurati.

Under the drug program which was initiated by this department, we have held drug seminars in every junior high and high school throughout Grafton County with follow-up programs in many of these schools sometimes lasting one or two weeks. Our program has reached in excess of 4,543 students and also civic groups, church groups, educators, Parent Teachers Organizations, Chambers of Commerce, etc. to the extent of approximately ten thousand individuals. Also a drug hot-line into this department was initiated to assist parents seeking help for children with problems without making formal charges. Numerous letters have been received in this office, including letters from educators, clergymen, armed forces personnel and the President of the United States among others commending our department for its drug program.

Listed is a record of our activities for the year:

Burglary	71
Drug Abuse	157
Stolen Skiis & other Properties	37
Fraud	52
Child Molesting	5
Statutory Rape	10
Fugitives from out-of-State	5
Minor in Possession	8
Stolen Vehicles	9
Stolen Boats	5
Bigamy	3
Assault and Battery	25
Larcenies and other complaints	67
Forgery	3
Wanted for Armed Forces	5
Non-Support and Neglect of Minor Children	27
Arson	6
Missing Persons	10
Suicides	9
Escapes	5
Juvenile cases	42
Assists to FBI, other departments	131

I would like to take this opportunity to thank President Hyde of Plymouth State College for his assistance and cooperation and for making available college facilities for our programs. To many others too numerous to mention, I would also like to express my gratitude, among them the Governor's Commission on Crime and Delinquency and the Grafton County Delegation for making possible the growth of our communications system.

This report just touches the highlights of our department's work, but it does give a factual and clear representation of the activities of our department.

Respectfully submitted,

HERBERT W. ASH,
Sheriff

CHAPLAIN'S REPORT

To the Commissioners of Grafton County
Woodsville, N.H.

Dear Sirs:

In the past year as Catholic Chaplain to the Grafton County Complex, I continued to make weekly visits to the people of the Home and the patients in the Hospital. It was a great joy to serve these people even in the small way that I did. The sacrifice of the Mass was said for the people of the Home and the Hospital on the first Friday of the month. At the same time the Sacrament of the Eucharist was distributed to these patients.

The sacrament of the sick was given four times this past year and at the service of all I am ready or on call.

It was a joy to attend the annual Christmas party for those in the Home and the one for the patients in the hospital.

I wish to thank Mr. Siegmund, Mrs. Siegmund, Mrs. Little, and the whole staff for their help and cooperation.

Sincerely in Christ,

REV. EDWARD ZALEWSKI
Catholic Chaplain

PROTESTANT CHAPLAIN'S REPORT

To the Commissioners of Grafton County:

It is my privilege to submit this report for the year of 1970 as Protestant Chaplain to the Grafton County Home.

I have continued with the regular worship services in the Home and pastoral visitation to the residents of the Home, Hospital patients, and Jail and House of Correction inmates. The services of worship are held regularly on the first and third Sunday afternoon of each month. I have also conducted funeral and committal services for those who have died from the Home. I have attempted to carry out a program of regular visitation. The contacts through pastoral visitation have been enjoyed.

I have had a number of opportunities for pastoral counseling in the Jail and House of Correction. I have also been available for call whenever a request was made or a need arose.

I have also enjoyed my relationships with the residents through the informal services of worship and special holiday programs. Again this year we were able to have a good number of the residents attend the Sunday School Christmas program at the Community United Methodist Church in North Haverhill. I have also made available Christian devotional literature to those who desired it. We were able to arrange, through the Gideons International, for a large number of Bibles to be used at the Home, Hospital and House of Correction.

We also take note of a group of concerned citizens who are forming a "Joint Action Group" for the purpose of helping to provide the residents with some social life, visits and programs. Such interest is encouraging and needs whole-hearted support.

I want to express deep appreciation to Mr. and Mrs. Siegmund, Mrs. Little, the staff and turnkeys for their

friendliness and spirit of cooperation.

Respectfully submitted,

MARVIN T. MILBURY,
Protestant Chaplain

REPORT FOR GRAFTON COUNTY COOPERATIVE EXTENSION SERVICE

Extension Service constantly strives to discover the most urgent needs of the people of Grafton County and then carry out educational programs within the sphere of responsibilities assigned to Cooperative Extension Service. The major programs are in the areas of Agriculture, Home Economics, 4-H Youth Development, Forestry and Resource Development.

Special U.S.D.A. funds were assigned Extension Service in 1970 to carry on Nutrition Education programs with under-privileged families. The Grafton County project was initiated in the Plymouth area. This expanded nutrition program has been carried out by eleven nutrition aids and a local supervisor. This pilot type program is over and above regular Extension Home Economics activities. This is a Federal program directed in the County by the Home Economics Agents.

Extension agents are located in the post office building in Woodsville, N.H. and are available to work with all people in the County. They are limited only by time available.

COUNTY PHYSICIAN'S REPORT

To the Commissioners of Grafton County:

I hereby submit my report for 1970:

On November 5, 1969 we moved into our new wing, transferring thirty-nine patients from the old hospital section. Beds filled up slowly at first so that January 1, 1970 we had only fifty-three patients. Soon after this we did fill up and our daily average for the past six months has been 72.5 patients in the hospital wing.

There is a total of seventy-nine beds, two are for Maximum Care and quite infrequently used, and two are cell rooms that we like to keep for prisoners or temporary detention of psychotic patients. We have had a waiting list recently as high as eleven but at present there are only three on the list.

This year we had forty deaths and fifty-three discharges either to their home or to some other medical facility.

Much of our equipment is new and it is all being used efficiently.

We have had many new employees and a rapid turnover of maids and Nurse Aides. This is stabilizing at present.

The kitchen with its new equipment and the addition of a part-time Consulting Dietitian has greatly improved our dietary service.

CYRUS D. EASTMAN, M.D.
